David:

I have coordinated with (b) (6) She wants to make sure that I am there with her. I hope that is not a problem.

Gary - ron and I are looking forward to seeing you this afternoon at the site. As an update I have to put Ron on a 4:45 pm call with ORD. Our plan is to tour the site and visit with (b) (6) to see her property. If you haven't - please reach out to her. Thanks

David
